## ABOUT INSTITUTE

Global Competitive Spirit is the trademark of all the technical institutes of the world as globalization has indeed arrived on the wings of Science & Technology. CSIT is affiliated to Chhattisgarh Swami Vivekanand Technical University, Bhilai. It is a premier "Center for Excellence" established in 1999. CSIT is recognized by AICTE and is ISO 9001-2015 certified. It has been appreciated for its academic quality, co-curricular & outreach activities.

Chhatrapati Shivaji Institute of Pharmacy (CSIP) is one of the emerging institution in Pharmaceutical Education in India. CSIP was established in the year 2018 as a new wing to CSIT, Durg with the mission of providing quality education, research and service. The College is approved by the Pharmacy Council of India and affiliated to Chhattisgarh Swami Vivekanand Technical University (CSVТУ), Bhilai, Chhattisgarh.

Chhatrapati Shivaji Group of Institution is dedicated to provide quality education and skills to the student fraternity. CSGI encompasses Chhatrapati Shivaji Institute of Technology and Chhatrapati Shivaji Institute of Pharmacy.

The Institute is located on Durg-Balod, Dallirajhara Road at Shivaji Nagar near Kolihapuri, Dist. Durg (C.G.), 4 Kms away from the Collectorate and 6 Kms from Railway Station, Durg. The grandeur of the location provides a unique environment for education in close proximity with nature and farfetched from the hum-drum of the city.

- Computer Centre and Computer Labs with Advance Software and Configuration.
- Smart Class Room for Learning and Development.
- Open Amphitheatre for Student Activity and Development.

## INSTITUTE CREDENTIALS

- Strong Academic Team of Highly Qualified, Experienced and Committed Teaching Faculty
- 75+ Full Time Faculty Members
- 15+ Faculty Members with Doctorate in advanced technical disciplines
- 10+ Faculty Members Pursuing Ph D from Reputed Institutes
- 15+ Faculties/Staff with Industrial Experience
- 10+ Renowned Professionals visited for Student Development Program
- 10+ Workshops by Renowned Speakers & Technocrats on Latest Technologies
- 15+ Industrial Visits, connecting students to Industries– TCS, M&M and Abbott etc.
- 50+ Research Paper Published in various National & International Journals
- 20+ MOU's with leading National and Multinational Organizations like PARKER HANNIFIN, BOSCH & ONWARD TECHNOLOGIES etc.
- Research & Development Consultancy Cell that carries out innovative Projects & Research
- FOUR times awarded by IITs for Nationwide Best Performance in NPTEL Exams
- Membership of famous Professional Bodies' i.e. ISTE, IEI, SAE INDIA, etc.
- Collaboration with TCS-YEP to prepare students in improving Employability Skills.
- Research Grants received from AICTE, TEQUIP, DST, CGCOST, NABARD and IE (I)
- LaQshya- Central India's Biggest Annual Techno Management Fest.
- Dynamic Students' Clubs: !-Click, SOC-H ,The Cyrus, SAE India & Baja etc.
- Students' Association [SEnA / The DRx] for Enhance Managerial Skill of the Students.
- Distinctions in Inter College Sports and Cultural under Youth Festival.
- Awarded at National & International Level Robotics, Photography and Music Competitions.
- National Service Scheme [NSS] Unit.
- Start-ups by our Alumni: Pylons Technologies, Audit Tech & Tech36garh.

## WHY CSGI

**Learning Ecosystem** - Education and Research are twin mainstays of CSGI. The enthralling ambiance acts as catalysts to the cognitive efforts, creativity and development.

**Strong R&D** - Our emphasis towards Research and Development in our curriculum makes learning experience elated and multidimensional.

**Mentor System** - The mentors, at an individual level, are committed to the best in class academic services to the students and society. The mentors also act as project guides, informal career counselors and motivation.

**Focused Training** - Conversion ratio of students at each stage of the recruitment process is tracked and improvisation targets are set to improve them after training.

**Well Established Infrastructure** - The huge campus is laced with well established laboratories and other R&D facilities thus creating a very enticing academic environment.

## LIBRARY [INFORMATION CENTER]

The Central Library of CSGI has a good collection of more than 80 thousand+ of print books , more than 50 thousand+ technical books consisting of both text and reference books, Ph.D Thesis, Online Journal Archive collections and online protocols. Besides, it subscribes to a good number of full text online databases ,Indian and International print journals . It also has Discovery Service Remote Access facility. It caters to the information and document need of nearly 5000 users consisting of Faculty Members, Staff, Engineering and Pharmacy Students and Research Scholars satisfactorily.

- Highest Package offered 6.50 Lakhs per annum.
- Average Package offered 3.80 Lakhs per annum.

## LIST OF ESTEEMED RECRUITERS

& MANY MORE ...!

## INDUSTRIAL / EDUCATIONAL TOUR

Exposure of theoretical knowledge is important to understand the practical applications of knowledge in industries; this not only helps the students to understand the working of industries but also helps them to get insight about the procedure followed in any organization. Excursion helps students to gain practical knowledge.

## STUDENT DEVELOPMENT PROGRAMS

In order to sharpen the students' technical skills and also hone their communication skills and to make them ready for the corporate world, CSGI offers training programs which are tailor-made for each student. These programs prepare them from a campus point of view. We also provide training to appear for Graduate Record Examination and Test of English as a Foreign Language Tests.

## SPORTS

Sports is one of the most necessary part in a student's life to keep them healthy both physically and mentally, and hence CSGI takes care of the students for same. In addition to the Annual Sports Day, we regularly motivate our students for participation in intra college and inter college leagues for Indoor and Outdoor Sports Activities.

## CULTURAL

Other than academics, CSGI provides opportunities to its students to participate in various cultural activities like Drama, Art, Singing, Dance, Debate, Speech, Stage Shows, etc. to showcase their inherent talent.

## NATIONAL SERVICE SCHEME (NSS)

The institute has a dedicated NSS Unit and it frequently organizes programs for the betterment of the society. Various seminars are conducted by its members to spread awareness among the citizens. Every year the Volunteers participate in National Integration Camp to provide their selfless services towards the society. Best NSS Volunteers are awarded with Shields and Certificates.

One of the Member of NSS, Ms. Shanu Vaishnav, Civil Engineering, represented Chhattisgarh Cadre in Republic Day Parade on 26th January 2023 at Kartavya Path - New Delhi.

## YOGA & MEDITATION

In the busy modern world, peace of mind and fitness of body is at a stake and they need to be taken proper care off. The institute has introduced Yoga and Meditation Classes for the students for the improvement of strength and concentration.

# GYMNASIUM

CSGI provides gymnasium facilities to all the students to make them have a healthy body with a healthy mind.

### HOSTELS

We understand that most of the students are away from their homes just because of studies and also away from homely comfort. CSGI provides home like and family essence hostels for the students with almost all facilities for comfortable living.

### CANTEEN & CAFETERIA

The institute provides delicious food in the canteen and cafeteria for the students as well as teachers at affordable price in the campus itself.

### TRANSPORT

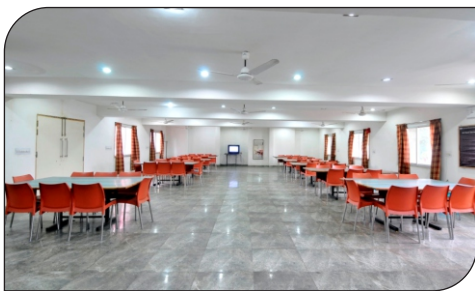

With notably subsidized rates, even in the times of skyrocketing prices of the fuel, the institute provides transport facilities for students and teachers as well.

### BANK & ATM FACILITY

The institute is having Chhattisgarh Rajya Gramin Bank [CRGB] in its premises along with the ATM of State Bank of India [SBI].

### TEMPLE

We need positivity and blessings of the Almighty for our growth and success. The institute has a temple dedicated to Lord Shiva, which creates an aura of positivity in the campus.

## EARN WHILE LEARN

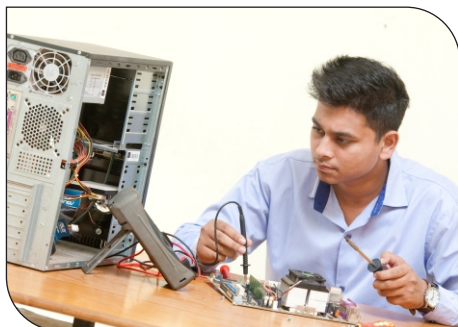

CSGI takes care of their student through “**Earn while Learn**”. With this ideal thinking, the institute encapsulated the Start-up **PYLONS Technology Pvt. Ltd. - A software company** of the pass-out students as well as for the undergraduate students to earn while they are studying. This practice made CSIT the first college in the region to establish the earn and learn scheme.

### **PYLONS Technology Private Limited:**

- The students are paid off for their services given to the company.
- Students get real time experience of Live Project.
- Students get experience of professional environment to work with.
- The company provides internship to students with certification to add worth to their work.

The scheme was launched in 2019, and has received an overwhelming response from the student fraternity.
